Rajdeep:

Thank you for your patience as we took a few days to sort out some conceptual issues.

Please find 3 files attached.

\* Beyond GDP Corrections 2015-03-26.pdf: contains our suggested corrections to the proof you sent on 19 March 2015.

\* Fig 5-1 NEW.pdf: contains a new version of Figure 5.1.

\* Fig 6-3 NEW.pdf: contains a new version of Figure 6.3.

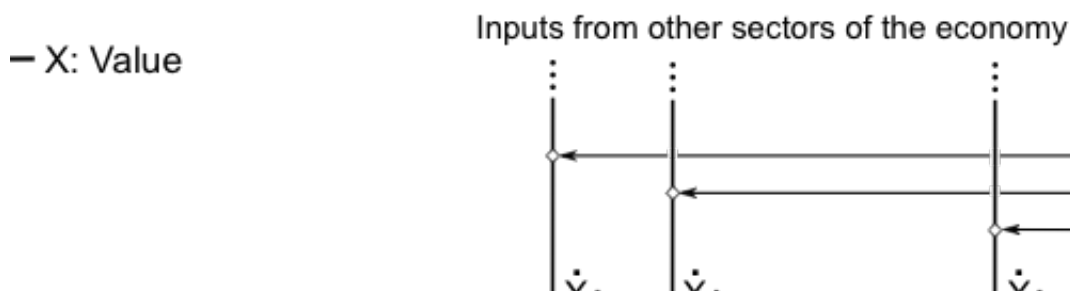

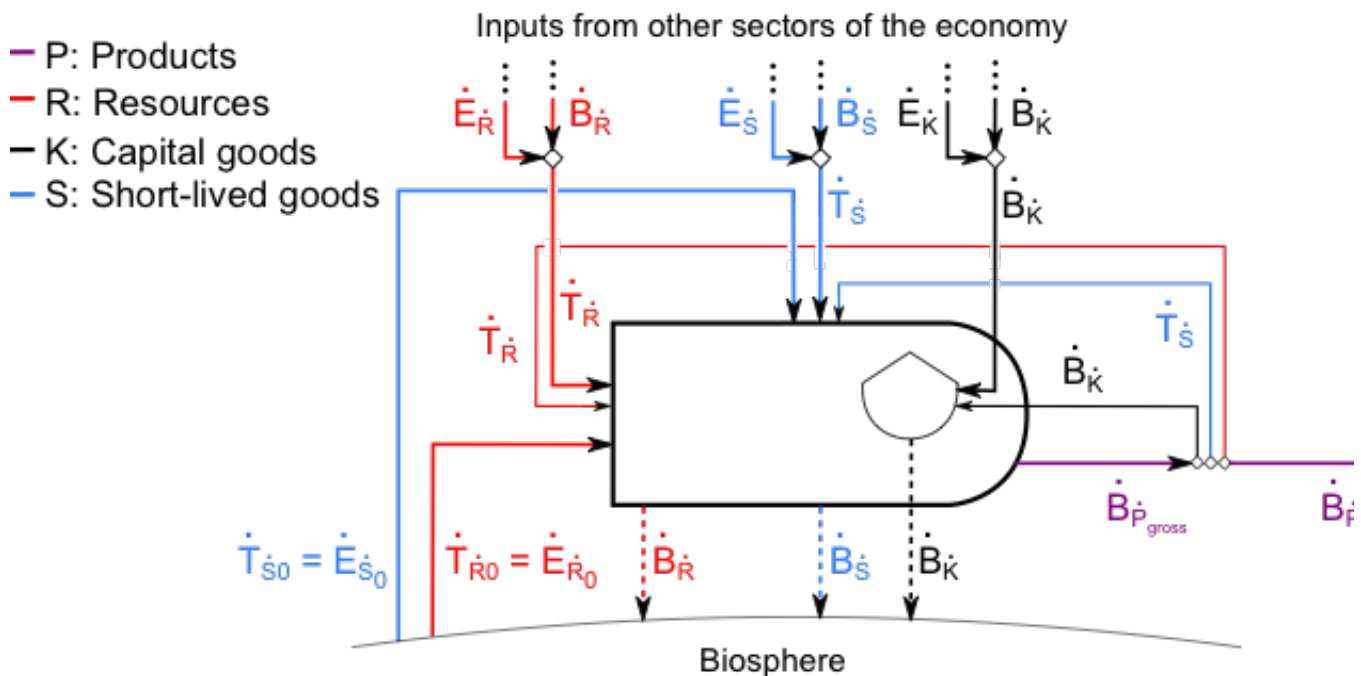

Please let us know if you have any questions about the edits we are suggesting.

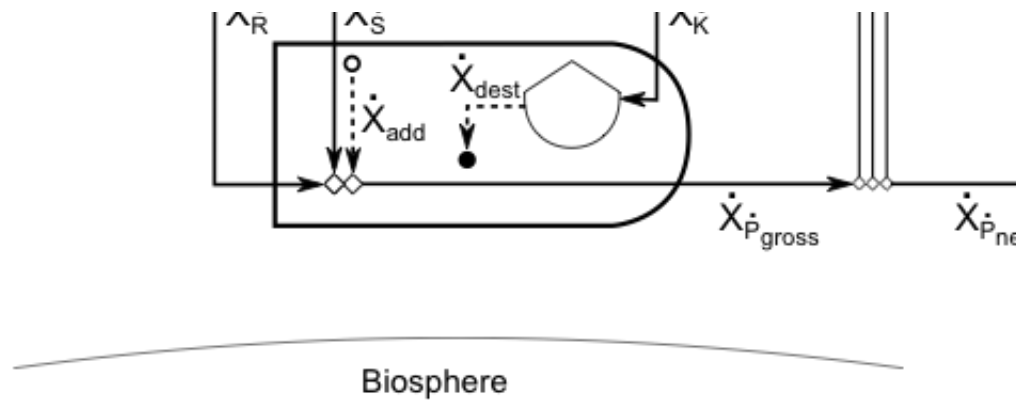

Cheers,

Matt

Rajdeep:

Beyond GDP has been a continual effort to reconcile physical/engineering and financial/economic worldviews. We ran into another place where reconciliation needs to occur today. Good news is that we have a fix for it. But, it will take us an additional day before we provide comments. So, look for something from us by end of our day tomorrow (Wed 25 March).

Cheers,

Matt

Importance: High

Radjeep:

Thanks for your email. Due to our schedules and the upcoming weekend, we will provide comments by Tuesday 24 March.
