Hello Matt,

I have attached a chart (in png format) based upon the most recent EIA data (as of May 2014) and yes you have my permission to use the attached chart (with due credits) for your book.

All the best
Rune

Rune:

Alternatively, I would be willing to use the first chart at

<http://fractionalflow.com/2012/05/31/verdens-oljeforsyning-en-oppdatering-mai-2012/>

or an update to same.

Please let me know if you will be able to grant permission.

Cheers,

Matt

In your article at
